MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Donald E. Smith
Chairman, CIA Training Selection Board

SUBJECT: Approval of Candidates for Senior Officer Schools

DD/A REGISTRY
FILE: *Training*

1. The CIA Training Selection Board has selected candidates for the senior officer schools for the 1980-81 academic year. Your approval is requested for the selections listed on Attachment A.

2. The Board met to review the candidates nominated by the Directorates and the Executive Career Service for The National War College, the three senior military service colleges and State's Executive Seminar in National and International Affairs. In the request for nominees (Attachment B), we emphasized that the Agency encourages candidacies of women and minorities.

3. The Board evaluated the qualifications of the 28 candidates to fill 12 spaces in the schools including a possible second space at the Army War College. It is the Board's opinion that the individual selections show that the Directorates and the Executive Career Service gave careful thought to each officer's future potential, that the particular course chosen should enhance that potential, and that the individuals should prove to be good Agency representatives.

4. After the Board met, we were advised that the Office of Strategic Research, NFAC, wished to withdraw [redacted] whom we selected for the College of Naval Command and Staff, so as to enable her to accept a rotational assignment in the Strategic Warning Staff. Mindful of the need to pick women and minorities, I requested NFAC to reconsider the withdrawal, but [redacted] has now been officially withdrawn. The other minorities on the list are [redacted]
